

## Costings for Schools

**Spring Term 2021 - 50% reduction for schools with high levels of social deprivation as a response to Covid 19**

*There are four training packages available. The training is available online during the current period of social distancing requirements. The school would provide a suitable coordinator, based in school, to run the groups. Surveys can be conducted and collated to assess the impact of the intervention.*

### Individual Packages

1. Reading Pals Training – School Coordinator and Older Pals can use the online training and resources to establish the Reading Pals intervention in the school, or at home. The number of groups to be set up and the timings of groups in the school week can be decided by the school.
2. ELF – Emotional Literacy Friend – Online training provided to School Coordinator and Older ELF. With their support the younger peers are able to strengthen their emotional literacy, using appropriate books and a structured series of activities.
3. Transition Pals – Online training given to School Coordinator and group of Transition Pals to support chosen Year 6 children in their transition to Secondary school, using appropriate books and a structured series of activities.
4. Parent Workshop – Working with parents to enable them to better support their children's speech and language development and literacy skills. The online training and resources help to develop the parents' skills in supporting their child's reading, verbal reasoning skills and understanding of abstract language and information.

**Each package is available to the school at a cost of £500 (Concessions considered on application.)**

### Pick and Mix

The training and support is spread over 1 year, it includes training at the school and email support for the coordinators.

The support can be tailored to the school requirements

*2 Individual packages chosen from above= £900*

*3 Individual packages chosen from above= £1200*

### Teaming Up

Neighbouring and Federations of schools can team up to share the cost of training. Price on application
